Job Distribution Network - 25,000 Employment-Related Websites

<http://www.net-temp.com/recruiters/jobpostingnetwork.htm>

Net-Temps jobs are distributed through top jobs networks like Beyond, Hirenet and Local Careers as well as all vertical job search sites like Indeed, Simply Hired and Google Base. Net-Temps' jobs are indexed by all the major search engines including Google, MSN, Yahoo, Ask and Lycos.

Keyword Advertising

1.2 million searches are conducted each month on Google and Yahoo! alone using these keyword search terms:

temp jobs
temp & permanent jobs
temporary employment

Net-Temps consistently ranks in the top search results positions. This is one of the most powerful ways we drive jobseekers to your job postings.
